

INTHECLOUD

CREATING DIGITAL CITIZENS

Giving you the competitive edge - Distinguishing you from the rest

In the Cloud offers workshops to prepare today's learner and student to become responsible and competent digital citizens, to be able to optimally use technology to do school projects and post school study assignments, and to become entrepreneurs – towards lifelong self-learning. Workshops are also offered to adults – contextualised for the world of work.

Upcoming Introductory Workshops for Learners/Students/Adults
