

Librarian of the Year 2016

Ina Smith

citizens in the cloud

Contextualised learning interventions for all citizens – librarians, children, teachers, health workers, anyone interested

Combining theoretical principles & practises with digital tools, technologies & trends

librarians in the cloud

Community Outreach Project at **Hindle High (Western Cape)** included new trends, digital citizenship, career guidance, starting a business, creating a logo, joining a webinar, compiling a professional CV, compiling a budget, presenting to funders, assessing project proposals

teachers in the cloud

Thank You!

LIASA, SAPNet, Blue Bus Community Ministries, Hindle High School, ASSAf
